Grand Opening Dates!

From where I sit, it feels like we've turned a corner and we're heading down the final straight! We have the curb and gutters going in, in anticipation of the car park being laid. We have decorative screens going on the staircases, painting of walls and tiles on the ground. The excitement is palpable!

So, after waiting and waiting around weather and material delays, we have a date to announce for the official opening of the Redcliffe Community HUB!

Sunday 24 July & Saturday 30 July

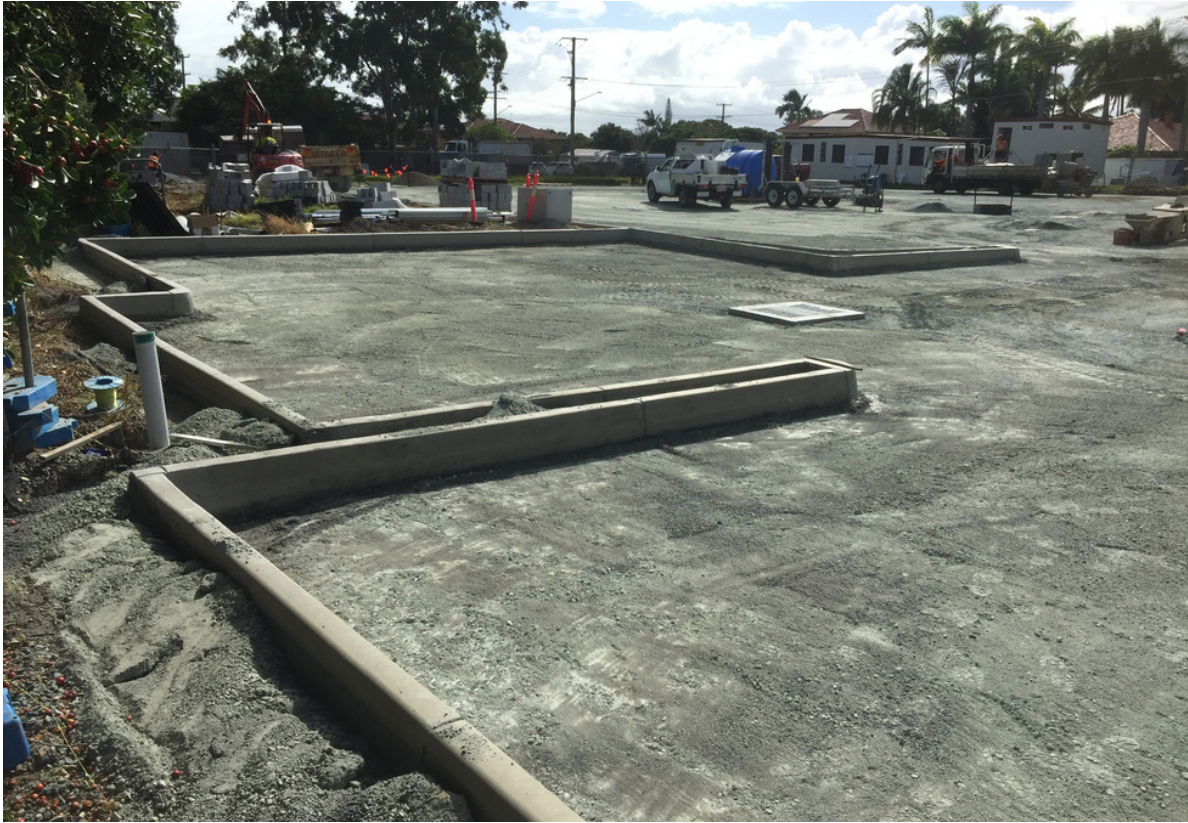

Features are starting to be added to our Community Gift!

Put those dates in your diary! Sunday, we will come together to celebrate, through worship, the wonderful things God has done, and will do.

Saturday is going to be a community Open Day with tours and entertainment, challenges for the kids, and coffee from the cafe for the adults! A great day to explore the Community HUB. More details will follow in the coming weeks.

W W W . R E D C L I F F E U N I T I N G . C O M . A U

I have never found the sight of curb and guttering so exciting!

There is still work to be done, but we expect parts of the project to reach completion at Easter and for the project to be fully operational for our grand opening weekend in July.

Solar Addition

We're also proud to announce additional of solar panels to our facilities, turning our current 10KW system into a 30KW system. One third of this was funded through the Federal Government's Powering Communities Program and our Federal MP The Hon. Luke Howarth. This is part of our commitment to care for our planet.

All thanks to the Steering Committee. I get to write the newsletter but they are doing all the really hard work, especially the PCG - Tony Hunter, Greg Adsett, Fiona McPherson & Matt Neale.

Looking forward to celebrating with you all.

TILL NEXT TIME!
