Updates

Tony Hunter - Chair

Redcliffe Uniting are pleased to announce that Tony Hunter has been appointed as the **Chair** of the HUB Steering Committee for the next six months. Tony has been on the team since the beginning, heading up the Project Control Group for the past 18 months.

Tony brings in depth practical experience as a General Manger and Senior Executive, having project managed several multi-million dollar projects. He is an experienced & effective Consultant, Futurist, Speaker and Director to the Food and Agriculture industries

Ralph Collins - Committee

Redcliffe Uniting are also pleased to announce the appointment of Ralph Collins to our HUB Steering Committee, with oversight of **finances**. Ralph has just finished as Chair of the Qld Uniting Church Finance, Investment and Property Board. He brings a wealth of Church, Governance and finance experience with him.

Ralph has a long history in the financial industry and has been on the board of a number of not-for-profit organisations - including Deaf Services Qld.

In addition, Hilton Misso has made himself available as an advisor to our Team and we expect to have some more news soon on other appointments/developments.

As we approach the conclusion of the Detailed Design Phase, the excitement at the realisation of a long term dream is beginning to be realised. What a great time to become part of this vision.
